DOLPHIN SWIM TEAM

Make a splash with our YMCA Dolphin Swim Team! This is a competitive youth swim team that not only offers a quality experience, but also a healthy way for kids to get active and make lifelong friends. Swimmers must be under the age of 18 and are required to swim at at least a Stroke Development swim lesson level. Our coaches offer personal and positive instruction throughout the swim season. The swim team participates in weekend swim meets several times a month where they travel to other YMCAs in Indiana, Ohio, and Michigan.

FREE TRIAL WEEK: OPEN TO ALL!
*Evaluations conducted during this week.
Must be at a Stroke Development swim lesson level*
