# Early Learning Center

The YMCA of DeKalb County Early Learning Center offers a well-balanced program focused on the developmental and individualized needs of the child. This program offers year round care for children ages 6 weeks through 5 years. The program provides socio-emotional development and school readiness skills developmentally aligned with the Indiana Department of Education's Foundations for Early Childhood. We are committed to nurturing the individual growth of the whole child, spiritually, intellectually, socially and physically. We follow all nutrition guidelines set by the Child and Adult Care Food Program (CACFP) and provide all meals at no additional cost. We are a State Licensed facility, on Paths to Quality level 3 and are an On My Way Pre-K approved Provider.
