

YMCA Spring 2018 Futsal Application

Futsal is a format of five-on-five football (soccer) that is played extensively throughout the world. The term 'Futsal' is translated literally, meaning 'indoor football' (soccer). It is played on a basketball court with a ball which is smaller and heavier than the outdoor soccer ball and has a reduced bounce.

Playing Futsal allows you to touch the ball nearly twelve times more than playing soccer. The game places considerable demand on technique, movement, tactical awareness and fitness. Futsal is a great skill developer, demanding quick reflexes, fast thinking, and pinpoint passing. The speed of play is such that you are forced to make quicker technical and tactical decisions.

Sessions will consist of both training and playing the game of Futsal.
