EARLY LEARNING CENTER
An Indiana Registered Early Learning Ministry

The YMCA of Dekalb County Early Learning Center offers a well balanced program focused on the developmental and individualized needs of the child. This program offers year round care for children ages 1 through 5. The program utilizes the Creative Curriculum and provides school readiness skills developmentally aligned with the Indiana Department of Education's Foundations for Early Childhood. We are committed to nurturing the individual growth of the whole child, spiritually, intellectually, socially and physically. We follow the regulations for Registered Ministries and participate in the Voluntary Certification Program and the Paths to Quality rating scale for child care programs.
