DOLPHIN SWIM TEAM

Make a splash with our YMCA of DeKalb County Dolphin Swim Team! This is a competitive youth swim team that not only offers a quality experience, but also a healthy way for kids to get active and make lifelong friends. Swimmers must be under the age of 18 and are required to swim at at least a minnow level. Our coaches offer personal and positive instruction throughout the swim season. The swim team participates in weekend swim meets several times a month where they travel to other YMCAS in Indiana, Ohio, and Michigan.
